HAVING THE CAPACITIVE LOAD DRIVING CIRCUIT

COMMUNICATION TO EXAMINER REGARDING EXAMINER'S AMENDMENTS

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

The Notice of Allowance mailed October 20, 2005 herein, at page 2 of the detailed
Action, sets forth a common amendment in each of claims 50 and 51.

Applicants agree with the amendment to claim 50.

Applicants do not agree with the amendment to claim 51 since the word "one" already
exists in the phrase in which the Examiner's Amendment proposes to insert same and, thus,
would be redundant.

Accordingly, it is requested that the Examiner's proposed amendment to claim 51 be
withdrawn.

Respectfully submitted,

STAAS & HALSEY LLP

Date: November 16, 2005
